

INTERNATIONAL MINUTE

January 2013

international.ocbsa.org

Plan Your International Scouting Activity

The Orange County Council International Committee encourages every Scout and Venturer to take advantage of an international Scouting experience. Some examples:

World Jamboree - in 2015 the Scouting community will gather in Japan.

European Camp Staff - serve as a counselor in an European Region Scout camp or training center.

BSA Contingent - join other US Scouts in an International event; an excellent opportunity to learn about other countries, people and cultures through Scouting activities.

For some events, you don't even have to leave your home.

Jamboree-on-the-Internet - "meet" other Scouts from around the world through the Internet and share more information than just "Hi."

Jamboree-on-the-Air - a worldwide annual Scouting ham radio event held in October.

Hosting a Home-Stay - invite a Scout or two to stay with you when a Foreign Troop visits Orange County.

How to get started:

Visit us at the University of Scouting, Scout-O-Rama or any of our committee meetings.

Check out these lists we have prepared for you on the web:

International Scouting events in every country through 2014. <http://international.ocbsa.org/intleventslist.shtml>
