## European Camp Staff Program

Young leaders from the Boy Scouts of America have the opportunity to learn more about Scouting in Europe by working at a European Scout center.

The program is open to young adults ages 18 to 30. Scouts commit to work for two to six weeks at one of several Scout Centers throughout Europe. At the completion of their assignment, the BSA reimburses a portion of the travel expenses.

## Pakistan Boy Scout Association

The **Pakistan Boy Scouts Association (PBSA)** is the national Scouting organization of Pakistan and has over 500,000 members. Scouting was founded in Pakistan as part of the British Indian branch of The Scout Association. The PBSA was officially founded in 1947, immediately after Pakistan became an independent state.

On August 15<sup>th</sup>, 1947, Great Britain granted independence to India and Pakistan. The 6<sup>th</sup> World Scout Jamboree was already underway in Moisson, France. A group of Scouts who came to the Jamboree as citizens of India received word that their home was now independent. The Scouts created a Pakistani flag from a green turban and became the first Pakistanis to raise their national flag outside of their country.
